5 Bedrooms | 3 Bathrooms

West Coast Designed home with indoor swimming pool & legal 2 bedroom suite! This lovely home is only 12 mins to Duncan or to Lake Cowichan. Very private area with larger properties in the area, typical of this 3 acre offering. Lots of land to build a huge shop and gardens. This property is easy to show and would be a wonderful place to call home! Swim laps to relax after work or keep the children entertained for hours! Features include 5 bedrooms, den, wood floors, fireplace in the kitchen, in floor heating and lots of storage! Four walk-in-closets will keep everything in its place. Seemingly unlimited clean pure water that tastes like water is supposed to taste, nature that does not cease to nurture. Far under assessed value!! Lots of natural light within the house from abundant windows and skylights. Quite a sound proof house, must see to appreciate. (id:38686)
