5 Bedrooms | 3 Bathrooms

Small town living at its best. This extremely well-built family home offers a wide range of opportunities. The lower level is a self contained 2-bedroom suite, easy to rent in this market and people will love the open concept and covered porch area. Lovely lake and town views from numerous vantage points. The home enjoys lots of natural light and an open floor plan with a lovely wood stove to snuggle up to. The new heat pump provides instant, reliable heating and cooling. The home boasts little extras an owner/builder thinks of, such as a nook off the main living area for crafts, reading or Children's Art table and a comfy window seat to dream up your plans for the day. Catch the early morning sunrise or sunsets while you look over the lake. The kitchen has lots of cupboards and a lovely big island, great for entertaining. The Primary suite is very spacious with beautiful wood floors. The backyard is a labour of love with berries and other perennials under the gazebo. (id:38686)
