Incredible custom home! Built in 2019, this home sits nestled at the town end of Cowichan Lake and boasts 18.5 vaulted ceilings on the main level with uninterrupted lake views. This one of a kind home has a great open layout for entertainment with approx 2800 sq/ft of living space with picturesque lake views through the oversized polarized windows, and spacious open deck. Lounge by the cozy wood fireplace, or get creative in the garage space. Built with quality and attention to detail, everything has been thoughtfully crafted to create a streamline and efficient home. The main bath is open and spacious with access to the master bdrm. The grand beechwood staircase leads upstairs where you can cozy up and read overlooking the great room, accompanied with a bedroom and bathroom, and the lower level offers a separate walk out living suite with a full kitchen and 3 pc bath for extended family or guests. XTRA LARGE GARAGE. Centrally located within 1.5K to all of the towns amenities, enjoy all that Cowichan Lake has to offer. Video available. (id:38686)
