DALLAS

\$1,495,000

2 Bedrooms | 2 Bathrooms | 1,590 Sqft

Welcome to this 8th floor James Bay condo with incredible views of the Strait of Juan de Fuca & the Olympic Mountains. Offering 1590sqft of living space, this 2BD unit is perfect for downsizers or those seeking a low-maintenance lifestyle. The Dallas Place complex offers a range of amenities for its residents, including a community garden & a hobby room/workshop. This building is also pet friendly & allows rentals (see bylaws). One of the highlights of this property is its location with parks & recreation steps from your front door. Take a stroll along the scenic Dallas Road waterfront or over to Beacon Hill Park. James Bay & Cook Street Village are close by providing lots of shops & restaurants within walking distance. This condo is specifically designed for those aged 55+, offering a comfortable & secure living environment. With its breathtaking views & convenient location, this property is a must see for anyone looking for a condo in one of Victoria's most desirable neighbourhoods.
