\$1,115,000

3 Bedrooms | 2 Bathrooms | 1,911 Sqft

Welcome to this gorgeous 1911sqft, 3BD, 2BA rancher sitting on a beautifully landscaped 0.26ac corner lot in popular Mill Bay. From the covered porch, you enter the home into the great room with NG fireplace, HW flooring, oversized windows & recessed lights. The kitchen is made for entertaining w/NG range top, built-in oven, warming drawer, pantry, island w/prep sink and so much more. The dining room overlooks the private back yard & covered patio. The large primary bedroom has patio access, sitting room, walk-in closet & spa like ensuite. There are 2 more BDs, main bathroom & laundry room. The fully fenced back yard is a combination of patios, gardens & decorative features with lighting & micro irrigation system, shed, built in speakers, NG plumbed BBQ & extra parking beside the home. The home has a heat pump, security system, built-in vacuum & double garage. This property offers so much book an appointment to view today & access the full feature package to see all the details.
