5 Bedrooms | 4 Bathrooms | 2,956 Sqft

Welcome to your ideal family home with income-producing potential! This spacious 3-bedroom main area residence, with a total of 5 bedrooms and 4 bathrooms, offers versatility like no other. Discover a practical 2-bedroom suite, along with the charm of 2 wood-burning fireplaces and the comfort of a heat pump and a reliable 200 amp electrical system. Enjoy generous living spaces, boasting 2 living rooms upstairs, a fenced backyard for privacy, and a convenient double carport. Nestled beside the Trans Canada Trail, this property offers both recreational proximity and the opportunity to convert into one large house. Your perfect family abode with income potential awaits!
