Welcome to 1600 Davies Road, a stunning 2-acre property nestled in the serene Highlands of Victoria, BC. This beautiful rural estate boasts a 2,800 sqft main home with classic design and open-concept living, featuring 4 bedrooms and 3 bathrooms. The large living room has cozy fireplace, vaulted ceiling and windows that flood the space with natural light. The kitchen features cooktop and two built-in ovens for these large family gatherings. Start your day on the expansive decks or cozy up in the sunroom both just off of the kitchen. Updates include a newer roof, windows, and siding - the work is already done and all there is left to do is move into your new home. Perfect for multigenerational living or potential rental income. The property also includes a 626 sqft detached cabin, fully equipped with 1 bedroom, 1 bathroom and own laundry. Enjoy the privacy of two driveways, ample parking, and tranquil wooded surroundings, just minutes from Langford. A rare find! Book a showing today.
