2 Bedrooms | 2 Bathrooms | 1,131 Sqft

Welcome to your cozy cottage in the woods! This super bright & modern 2 bdrm, 2 bath 1,131 sq.ft. home is nestled among the trees on a private acre in the recreational development, The Cottages at Marble Bay. Vaulted ceilings & lots of big windows offer peaceful views of the great outdoors. A big, covered veranda welcomes you & is the perfect place to enjoy barbeques all year round. The big bright kitchen offers ample cupboard & counter space with a big island eating bar. Cozy up to the living room wood stove or the feature rock propane fireplace in the family room after a day at the lake. The property backs onto greenspace & walking trails & the easy-care landscaping blends perfectly into the natural setting. Lots of parking for your toys including 30amp RV service & plenty of storage/workshop space in the detached shed too. With access to private Bay View Beach included with strata fees & a short drive to amenities at Lake Cowichan, come find your quiet paradise right here!
