Tucked away in a serene, forested setting just minutes from Lake Cowichan, this charming waterfront cabin offers the kind of privacy and tranquility that's becoming nearly impossible to find. Surrounded by mature trees the cabin feels like a secluded treehouse with panoramic views of Cowichan Lake & surrounding mountains. Built in the 1980s & in mint condition, this one-bedroom retreat is full of rustic charm & timeless character. With a few modifications, it could become a 2 bedroom cabin or serve as the perfect starting point for building your dream lakefront home. The property boasts over 80 feet of water frontage, complete with a breakwater & dock. Whether you're enjoying a morning coffee on the expansive deck or spending the afternoon swimming, boating, or simply soaking up the quiet, the connection to nature here is undeniable. With a 200-amp panel and a 750-gallon septic tank with a full septic field, the infrastructure is already in place to support year-round enjoyment.
