Welcome to your lakeside escape at Beaver Lake Resort, where ownership of a 1/50th cooperative share gives you a slice of paradise and full access to this sought-after recreational community. Unit 29 is a cozy, well-appointed retreat nestled against private forested land, offering peace, privacy, and access to the tranquil waterfront just steps away. Spend your summers paddle boarding, kayaking, or soaking up the sun at the resort's sandy beach on a quiet, non-motorized lake. Incl: 2009 Outback RV trailer featuring a primary bedroom area and bunk beds. It sits under a solid metal roof structure, providing extra shelter and durability throughout the seasons. A spacious concrete pad is perfect for outdoor dining or entertaining, and a separate storage shed gives you space for all your gear. Beaver Lake Resort is open year-round and offers a variety of amenities including laundry and shower facilities, a clubhouse and games room, a playground, a dock, and a picturesque beach.
