2 Bedrooms | 1 Bathroom | 1,202 Sqft

201-138 South Shore Road, a sought-after corner unit in the heart of Lake Cowichan. This renovated 2 bedroom condo offers west-facing views overlooking the waters of Cowichan Lake and the River, enjoy stunning sunsets and located directly across from Saywell Park. Professionally updated open-concept living space, featuring a custom kitchen island with a butcher block countertop. The bathroom has been updated with double sinks, and features a separate tub & shower. Throughout the unit, new flooring, fresh paint, and a professional finish which enhances the bright and airy ambiance, while ductless heat pumps provide efficient year-round comfort. This condo also includes a generously sized in-suite storage room, in-suite laundry with a stacking washer and dryer, and features such as under-cabinet lighting, a retractable screen on the patio, custom curtains, new screens throughout, and a garbage garburator. The building is equipped with an elevator, making accessibility a breeze.
