5 Bedrooms | 2 Bathrooms | 2,405 Sqft

Situated just a short walk from the Crofton Seawalk & the Salt Spring Island Ferry is where you'll find this recently updated multi generational home complete with updated flooring, paint & fixtures throughout. The main level consists of 3 bedrooms & 1 bath with a soaker tub, separate shower & jack-and-jill access from the primary bedroom. The main living area is bright & open with access to a huge partially covered deck, perfect for year round enjoyment. A family room with cozy wood stove down provides additional space for the main living area. Downstairs you'll also find a shared laundry room & a 2 bedroom, 1 bath self contained in-law suite. There's a big, mostly fenced & level big back yard for your kids & pets, a carport, a garage with workshop space, room to park your RV or boat & there's even ocean views! Come see this affordable family home in sunny seaside Crofton.
