3 Bedrooms | 2 Bathrooms | 1,512 Sqft

Enjoy the ease of one-level living in this updated 3-bedroom, 2-bathroom rancher, ideally located in a quiet, family-friendly neighborhood. Bursting with natural light, the home offers spacious living areas perfect for both relaxing and entertaining. Set on a fully fenced corner lot, the property boasts a welcoming front yard filled with mature flower gardens and fruit trees, creating a serene and colorful setting. The generous, level backyard features raised vegetable beds and is ideal for gardeners, kids, and pets alike. All of this is just a short stroll from downtown Duncan, local schools, recreation facilities, & the scenic Cowichan River. Find a fantastic blend of comfort, charm, and convenience here this home truly has it all!
