2 Bedrooms | 2 Bathrooms | 1,258 Sqft

Welcome to this immaculate & well-maintained 2 bedroom, 2 bath rancher situated on a manicured & easy-care 0.42-acre lot. The open-concept main living area is filled with natural light & features a cozy natural gas fireplace. The spacious kitchen includes classic Oak cabinetry, charming wood accents, a convenient breakfast bar, and plenty of storage with dining room access to a large back deck perfect for relaxing or entertaining. Both bedrooms boast walk-in closets with built-in organizers, and the primary bedroom includes a private 2-piece ensuite. Hobbyists will love the enormous 220-wired shop space located in the full-height basement ideal for projects and storage. There's plenty of space for your toys with RV parking & a double garage and loads of privacy, backing onto greenspace. Don't miss the opportunity to own this beautifully cared-for home in a very desirable Duncan neighbourhood!
